

It only makes sense that Memorial Health System of East Texas counts many dedicated blood donors among its employees. "Our employees are committed to ensuring that the blood supply is available to our patients, who in most cases are our neighbors, family and friends," said Amelonee, the hospital's blood drive chairperson.

## Help save lives and give Holiday Hugs!

Give someone a hug this holiday season! Those who donate or attempt to donate in the months of November and December will be able to write notes of well-wishes to patients spending the holidays in the hospital. Notes from gold-level *Commit for Life* members will be attached to cuddly stuffed animals and hand-delivered to patients.
