## **Update from your Pastor Nominating Committee**

Your PNC continues meeting weekly to evaluate and discuss Pastor Information Forms (PIFs). To date, we have evaluated 100 PIFs, conducted ten interviews (9 via Skype and one face to face) and have brought two candidates to Houston to visit and preach for us in a neutral pulpit. We appreciate your support and prayers as we continue working together to discern whom God has already chosen as our next pastor and we welcome any questions you may have.

Grace and Peace,

# Questions Answered

## Doing Church Differently

Messy Church is a form of church that involves creativity, celebration, and hospitality and enables people of all ages to belong to Christ together. It is designed to be comfortable to those who haven't been to church ever before or who haven't been in a long time. Come with a playful heart!

## When and where is it?

Messy Church is at 5:30 p.m. on the First Thursday of every month in 2018. We meet in the Fellowship Hall at SBPC. This summer we are still having Messy Church!

**Save the dates:**

**July 5th - Light of the World**

**August 2nd - Everyday Blessings**

## So... what is it?

Each month we choose a story from the Bible and a theme. For example in May we did "God's World" and it was all about the world and all of the wonderful things God has made.

- We had Oobelek (slime) for the primordial earth,
- Scratch art to remember light and dark,
- Bubble art to celebrate the sky and sea,
- Sun/moon/stars snowglobes,
- Fruit kabobs to taste God's plants,
- Birds and fish paper chains,
- Marshmallow animals and people to remember God made us too, and
- A worm colony to feed to remind us that God's world works in harmony (and kids love gross)

At about 6:10 we start our celebration for the evening. Extraordinary musician Ms. Kathleen leads us in some fun and possibly familiar songs and then we all—all ages—did a whoosh—an

interactive story telling of the creation of the world. We sang more songs, blessed the food and ate and socialized.

## What ages is it for?

Like Legos, Messy Church is for all ages and those both accompanied and unaccompanied by kids. Activities are intended for all and usually have multiple layers so that everyone can get something out of it. That said, it's probably most appropriate for 3-14 year olds and people that like doing things with 3-14 year olds. |

## I already have a church, don't want to join a church, or well... am not so into the church thing at all

We get it. Messy Church is a chance to play and experience God with a childlike heart along side all ages, rather than separated by ages. It's a great opportunity to engage in an activity alongside our kids and experience it with them—a chance we don't often get. You can have a conversation with your kids about God if you feel like it or just to enjoy the time together. Messy Church stands alone and is low commitment, there's no pressure to join any of the other parts of SBPC or any church, though you might hear about them from people that participate in them, because they like those parts of church too.

## So... baths and bedtime?

Messy Church is a little bit physically messy, but we don't dance in the mud every month (and we have super duty smocks for kids and aprons for grownups available for when we do). It's more about being in the messiness of life together. Each messy church ends with a dinner—salad and usually pizza or chicken nuggets—served by 6:30 p.m each week so you can get home. No shopping, no cooking, no dishes.

# Missions

## MAM Back to School Program

Our Mission of the Month for August is the Memorial Assistance Ministries (MAM) Back to School Program. MAM has managed this program for over 30 years. Also, MAM was ranked the #1 charity in Houston for fiscal

responsibility by Charity Navigator.

There are over 6,000 children that need our help with school clothing. Families living in poverty often have just enough money to spend on food each week so finding extra money for back-to-school costs is impossible. MAM believes children should be focusing on learning and not feeling stressed about worn shirts, tight shoes and clothes that don't fit. 100% of all donations go towards clothing children for the new school year.

## How the Back to School Program Works:

MAM teams up with school counselors and nurses to identify which kids need new school clothes.

All year long, MAM collects donations from businesses, churches, and individuals to cover costs for the clothing vouchers.

MAM sends each school shopping vouchers for the families, to be used for school clothing at nearby stores. Just like a gift certificate!

Families use the vouchers to buy new clothes. Kids have the same shopping experience as their classmates. In the child's eyes, Mom and Dad are the real heroes!

**\$ 20 = all the extras for one child (socks, underwear, belt)**

**\$ 50 = school clothing and shoes for one child**

**\$100 = school clothing and shoes for 2 children**

***Web Trevathan will be sitting outside the sanctuary each Sunday this month before and after worship to collect donations!***

We need your OLD glasses.

How many of us remember playing at the Lions Club parks when we were kids? I do. I watched my brothers play baseball, and we would have outings with my family. Swing on the old fashion swings.

I Love those memories.

Well, for August, let's concentrate a little on this organization that has been around for a long time. The Lion's Club, has been serving the Spring Branch area since 1949, as well as other wonderful organized projects.

How many of us use glasses everyday of our lives? It's the first thing I put on every morning, I know, I can't see without mine. Well, imagine, a school age person, not being able to see the chalkboard, or read their textbook.

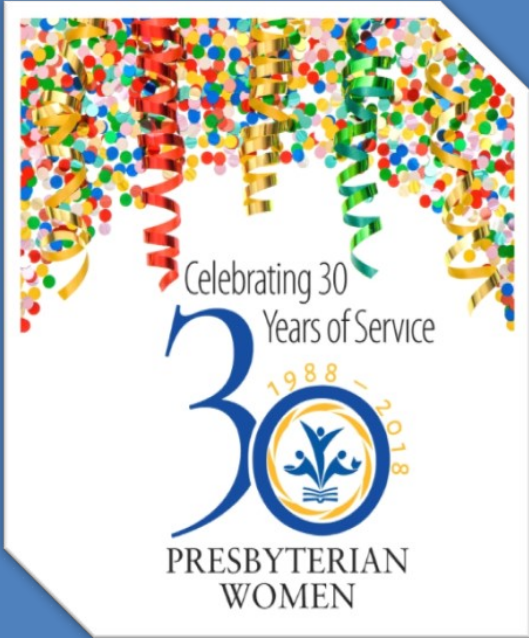

Well, in Spring Branch this happens, more often then we think. If you know a parent that needs assistance in buying glasses for a kid they know, help is available. Call the Lions Club. The Lions Club has help for these kids, right here in Spring Branch. So, you ask, how can I help? You can help right now, by donating your OLD glasses. Any shape, any size, and any style.

Yes, even those big red Sally Jesse Raphael glasses. (I had that pair). The USA regulations will not allow us to refurbish and re-use for the kids in the USA, but, your OLD glasses can be re-furbished, and re-used for kids outside the USA. Just think, your OLD glasses being worn by someone who needs them in another country. We are asking for the month of August, to bring in your OLD glasses. So, as you are cleaning out your drawers, put those OLD glasses in the bag provided to you by the Mission Team. OR, you can bring them and put it in the Lion's club box.

Our GOAL

Collect 50 pair of glasses.

So, what do you say? Can we collect 50? Sure, we can. Thank you for your attention.

## ***Can You Donate to the Benefit Drawings or Silent Auction for the August 12 PW Celebration??***

---

### **Q: What's the PW Celebration??**

**A:** We are celebrating the 30<sup>th</sup> Anniversary of Presbyterian Women when the women's organizations from the "North" (United Presbyterian Women) and from the "South" (Women of the Church) merged to form our current PW. On August 12, we will honor past SBPC history such as women leaders, mission projects, scholarship program for our college students, ZIP trips from the past, crismos, a fashion show, and our PW future!

### **Q: What are benefit drawings and the silent auction?**

**A:** Our primary fundraiser this year will be the benefit drawings and silent auction items. All money will go toward college scholarships for SBPC men and women. You may donate new or gently used items, services, gift cards, themed baskets with collections of items, or come up with a creative idea! Tickets for the benefit drawings will be \$5 each or three tickets for \$10. You can pay cash or check (made to SBPC) for benefit drawings tickets or to pay for a winning silent auction item. Silent auction items will have a minimum bid with increments of at least \$5.

### **Q: I would like to join other women in pooling donations for a themed basket or collection. How can I do this?**

**A:** Invite other SBPC women to join you for a combined donation (e.g., a birthday party, holiday event, collection of gift cards, services like homemade meal, child care, handyman services by husbands or teens, pet sitting, etc.), or let Carol Davis know what you want to donate so she could combine yours with other donations.

### **Q: Where do I bring my donations?**

**A:** Arrange with Carol Davis to bring your donations to church on Sundays during July to give to her---or call her to make other arrangements. Baskets or other collections need to have a list of all items displayed in a visible place. If you know the value of the donations, please give them to Carol---important for minimum bids on silent auction items. **If possible, all donations should be made by August 1**

### **Q: I would like to buy benefit drawing tickets and/or bid on silent auction items, but I can't come on August 12. How do I do this?**

**A:** A list of all benefit drawing items and silent auction items will be sent in e-mail to all SBPC women during the first week of August. If you cannot attend, you could choose a friend to take your place! Give her your money/check to bring on Aug. 12, and let her know what you are interested in winning!

### **Q: I would like to contribute to the SBPC college scholarship fund in addition or in lieu of participating in benefit drawings/silent auction items. How do I do this?**

**A:** You can contribute money or a check while you are at the PW Celebration on August 12---OR---you can mail a check, made to SBPC, designated for SBPC college scholarships, to Jorida Vakiari in the church office. Your donations will be appreciated!

## Mo-Ranch Youth Celebration

A group from our church and from First Presbyterian Church Sugar Land attended Youth Celebration at Mo-Ranch from June 24 – June 29. Those who participated were Josie Henry, Ben Dethloff, and Nicole Feker, who were sponsored by our church, and Jason Davenport and Colby Myers from FPCSL. Patty Blome and Miguel Carlin were the sponsors travelling with the group.

The theme for the conference was “Radical Love” based on the scripture from 1 John 4:7-21. Through worship, the keynote speaker, fellowship, and small group study, the participants explored the meaning of “radical love” in their lives and in the world around them. It was a fantastic week of fun while exploring a deeper relationship with God.

## Young Adult Mission & Fellowship Trip

Our young adults have been itching for a mission trip. Their last mission trips together were to Leadville in 2014, and to Dallas in 2015. This July, a group revisited Leadville, Colorado, (home of Dorothy Savage's daughter, Sarah, and Leadville First Presbyterian Church) for a time of work and play. William Stockton, Evan Powell, Emily Mitchell, Ethan Mitchell, Ali Nix, Jacqueline Nix, Lauren Vierling, Riley Fairchild, Elizabeth Powell, Patty Blome, Laurie Mitchell, and Gary Mitchell made the road trip of service and fellowship.

While in Leadville, projects included staining two decks at the Youth Center, staining the outdoor pews at the church, trimming and removing trees at both the church and a church member's home, working on a church member's computer network, visiting the manse where we did yard work. We washed windows, and power washed the back deck, resetting fence posts (knocked over by a bear!) at a member's home. Additionally, we worked to clear weeds and deep layers of pine needles from a section of the Leadville Cemetery, uncovering a rock pathway, and hauling slash and trash to the landfill. Sarah Savage was so organized, and kept us busy! We also managed a couple of breathtaking hikes, a boat ride, and a shopping trip to town. At the end of the visit, Sarah hosted us for dinner and hot tubbing at her home. The trip wouldn't have been possible or as much fun without her.

In order to make the trip affordable, the group was hosted by a variety of folks along the way. In addition to staying at the Church Youth Center in Leadville, they also spent nights and meals with Patty Blome's sisters in Los Alamos and Carlsbad on the way home. We were hosted for lunch and a tour of the Garden of the Gods in Colorado Springs by former church members Lee and Mary Tatum. The Stocktons had generously offered their home in Junction, Texas, but with the extreme three digit heat, they ended up putting the group up in a hotel for the night! Many thanks for that. Other thank you's go to the sponsors, Patty, Laurie, Gary, and Elizabeth, to the Lawsons (Lauren's parents) for sending the kids on a boat ride, to the Nix family for our care package, to Kay and Charlie Craig for awesome work gloves, and to Luna Lassiter for buying us ice cream in Los Alamos. Finally, thanks to the Academy allowing us to use the 15 passenger van for eleven days, and to the church helping us finance the trip.

The Academy Kids are so excited and looking forward to this new school year. We are growing and have added another Prekindergarten classroom.

We are also very excited about our "New Library." And we are still working to get it ready for this school season. It's going to be an awesome place for our children to enjoy and expand their little minds!
