May 2019

From The Pastor...

Greetings, members and friends of SBPC!

I want to begin by thanking you for the wonderful celebration we held during Holy Week, and especially Easter. It was truly wonderful to see the church come together to wave palm branches, learn of Christ's Last Supper through our Seder meal, commemorate Christ's death through our Tenebrae, pray earnestly for ourselves and for our church on Saturday's vigil, and finally, celebrate the resurrection of our Lord. And then we laughed at the irony of the greatest victory in the universe.

Yes, it was a busy season! I know that the tendency is to think that Easter is the pinnacle of the life of the church. But please consider this: On that first Resurrection morning, there were no filled pews. No one dressed up nicely. There were no egg hunts or nice dinners planned. Nothing... except to prepare a dead body. How different things are now!

The Easter season is 50 days long, which corresponds with the time between Passover and Pentecost, the Jewish feast marking the barley harvest. It was on that first Pentecost after Jesus rose from the dead that the church was truly born when the Holy Spirit was poured out upon the church. That is when the growth truly began.

Can we recapture this image today? Let me be clear: The church at Pentecost should be larger numerically than the church at Easter. What if the church truly understood this fundamental truth? What if we saw it happen this year?

Your pastor and session believe it can. It will happen as those upon whom the Holy Spirit has been poured out share the good news, as happened in Acts 2. Would you like to be part of this amazing celebration? I hope so. During the upcoming month I will be preaching on various aspects of hospitality and how we can practice them in our church. Then, on Pentecost, June 9, we are planning some great things! This would be a great time to put what we have learned into action. There will be a special worship service that culminates in a balloon release (yes they are biodegradable!), a picnic with barbecue, a kite flying contest, and more. Let's have a blast! And let's be sure to invite our friends and families to be present. This year, let's make sure that the church of Pentecost is even larger than the church of Easter.

Let's keep the excitement going!

In Christ's Service,

Kevin Boyd, Pastor

"...And the Lord added to their number daily those who were being saved." -Acts 2:47

Missions of the Month

The Mission of the Month for May is **Comunidades Unidas Pro Salud (CUPS)**! CUPS is a Christian organization founded in 1989 to improve the quality of life in rural communities along the Mexico-U.S. border. Maximizing the use of capital and human resources, CUPS unites mission trip volunteers with the people of Mexican and U.S. communities in projects that touch the lives of thousands of people. Health and education projects are a primary focus, and these are designed to meet community defined needs. Other humanitarian projects and programs, such as disaster relief, are also important in the work for CUPS.

During the month of May, our church will be collecting the following items for CUPS:

Items for elderly

(Such as adult diapers, canes, walkers, crutches, bedside commodes, and wheelchairs)

School supplies

(Such as pencils, pens, crayons, colored markers, small scissors, construction paper, and story books in Spanish and English)

Old laptops & desktop computers

(One of their board members reworks and installs Spanish Microsoft Office products on them.)

All of the above can be left in the bins outside of the church office, in the Fellowship Hall, or in the Narthex. We will faithfully pick up these supplies and store them until we can get them to CUPS in McAllen.

In 2019, our church will give \$1,000/year to CUPS.

Our own Nina Rach is a board member for CUPS

May Mission Opportunities

Original paintings and 3-dimensional designs created by students from Spring Branch will be featured. Student artists will be on hand to visit about their artwork. The auction provides a terrific opportunity for each student to be recognized for their talents and experience the marketplace at work. Newspring created the Student Art Auction to encourage students to remain in school and utilize their God-given talents. **Proceeds from the sale of the artwork go directly to the student.** <https://newspringcenter.org/artauction/>

SBPC Hot Meals on Weekends – The 4th Saturday of each month we look for individuals to deliver meals to shut-ins. We have 2 routes with about 14 people on each route, so we usually need a total of 4 volunteers each month. One small step for children...one giant leap for God's Kingdom!

Join us as we go “*To Mars and Beyond*” with our exciting Vacation Bible School that will help kids discover the wonders of God's universe. Children who will be entering Pre-K through 5th grade will become voyagers on a journey through space, exploring where God's power can take them. Along the way, they'll learn how God walked with heroes of the Bible, and that God is always with them, too. Add to the adventure with out-of-this-world fun, singing, crafts, science exploration, and timeless Bible stories that inspire kids to give glory to God, who is able to do far beyond all that we could ask or imagine!

Adult and student volunteers are always welcome and needed, whether you can help for one day or all five days. Students who have finished 5th grade and older are welcome to join the fun as volunteers.

Join us in the Gathering Place on Monday, June 10 through Friday, June 14, from 9:00 – 11:30 am. Register your child or register as a volunteer by filling out the attached forms and dropping them off in the church office.

All are invited to the closing celebration on Friday, June 14, beginning at 5:30 pm in the Gathering Place, followed by dinner in the Fellowship Hall. So that we can plan enough food, it would be helpful if you provided an RSVP for the closing celebration on the adjacent form.

2019 HIGH SCHOOL GRADUATES

Ben Dethloff

Son of Kathryn Dethloff (Ms. Kat), Ben will graduate high school this May, having attended Elkins High School in Missouri City, TX. He received many honors during his time there, including being the only freshman selected to play Varsity Soccer. He went on to be selected for the All District Soccer Award his Sophomore year, as well as the award for Academic Excellence. He did the same thing his Junior year, when he was inducted into the National Honor Society and also tied for top scorer in the District for soccer. This year Elkins grew from 5A to 6A in UIL athletics, and again Benjamin was selected for the All District roster. Maintaining his GPA, he will again be awarded Academic Excellence. After graduation, he plans to attend the University of Houston while continuing to teach guitar lessons at Smack Guitars in Missouri City.

Lane Rouse

Son of Margaret and Kip Rouse, will be graduating from Cypress-Fairbanks High School. This year he earned a Rugby scholarship to Iowa Central Community College, where he will be playing in the Fall, and is pictured here with brothers Nolan, Elliott, and Maurice, at his team signing.

2019 COLLEGE GRADUATES

Emily Rose Mitchell

Graduating from Texas A&M University with a Bachelor of Science in Spatial Sciences and a Minor in Geographic Information Systems (GIS), Emily has been a member of the Texas A&M Rowing Team for the past four years, and has served as the team's Secretary this past year. After graduation, Emily will work for the Texas Forest Service in the Emergency Operations Center as a Geospatial Specialist. She thanks SBPC for prayers and support throughout her time at Texas A&M.—Gig 'em!

Adam Tutt

Graduating with a Bachelor's of Science in Economics, Adam played on sports teams through the Recreation Center and was part of the Texas A&M Economics Society and the Financial Planning Student Association when he was at Texas A&M. After graduation he plans to pursue a career in data science/data analysis or another type of analysis, such as financial analysis. In the future he plans to return to school to obtain a graduate degree.

Volunteers in SBPC's **College Connection** ministry through Presbyterian Women have been praying for and sending holiday cards/notes to these students along with the other SBPC college students and college students from Presbyterian Children' Homes and Services. Both SBPC and PCHAS college students received "care packages" in the Spring and Fall, consisting of school supplies and snacks. Gift cards from stores such as Wal-Mart were also sent twice a year. Look for this college ministry to start again in the Fall; volunteers are always needed!

(2019 COLLEGE GRADUATES, cont'd)

Evan Powell

Graduating from Sam Houston State University with a Bachelor's degree in Agricultural Engineering and a Minor in Agriculture Business, Evan has been accepted into an Agricultural Engineering Master's program, but hasn't decided whether to remain a full-time student or work and go to school part-time. She successfully defended her dissertation, English as a Second Language Teachers' Self-Perceptions of Their Successes and Challenges in English Language Arts Classrooms this past March. She interviewed nine pre-kindergarten through second grade teachers from a public school district in the Greater Houston area. Her dream is to teach at the college/university level where she can share her experience as a teacher as she mentors individuals preparing to be professional educators. 15TH ANNUAL EMPTY BOWLS

Saturday, May 18, 2019 from 11:00 am to 3:00 pm

Houston Center for Contemporary Craft
4848 Main Street

Join HCCC for Empty Bowls, a grassroots effort by artists and craftspeople in cities and towns across the country to feed the hungry in their communities. Empty Bowls is implemented locally by Houston-area ceramists and artists working in various media, the Houston Center for Contemporary Craft, and the Houston Food Bank.

For a minimum \$25 donation, attendees have the pleasure of selecting a bowl from hundreds of one-of-a-kind, hand-crafted bowls donated by Houston area ceramists and craft artists and then receiving a simple lunch of soup from Sweet Tomatoes and bread from Slow Dough Bread Co. The empty bowls serve as a reminder of all the empty bowls in our community and around the world.

The Third Time was Charming!

April 13, 2019 marked the third time that Spring Branch Presbyterian Church hosted the Texas Prader-Willi Association Conference. More than one hundred attended the conference and over 28 children and young adults were entertained by 23 nurses and nursing students from Texas Women's University and our own SBPA staff. There were presenters from all over the country and much needed information and support was given to families from Texas, several from Houston and surrounding areas. Prader-Willi Syndrome is a rare genetic defect which profoundly affects individuals both physically and intellectually.

Spring Branch Academy teachers Ms. Alicia & Ms. Monica

Bryan and I thank our church family for not only supporting us, but in reaching out to the community in support of all who deal with this genetic disorder. Special thanks to Miguel Carlin, Ministries Teams coordinator, who gave the opening prayer and supported the Conference staff during the planning of the conference. A huge thanks to Ethan Mitchell, Technical support who also was supportive during the conference and in the planning phase. Everyone involved said that our facilities and staff were amazing. And that's so true!

— Marguerite Priest & Bryan Evenson

Thank You for All Your Help

Many thanks to each of you who helped with the Seder meal and with the Easter breakfast. Many hands cooked and prepared and set up and served and cleaned up for both occasions during the Easter season. I thank each of you for sharing your time and your talents as we extended hospitality to many. —Denise Wilborn, Fellowship
