GOD • ONE ANOTHER • WORLD 

Dear Church Family,

I have recently returned from the Texas-Louisiana border to see what damage was caused by Hurricane Laura. The good news is that my wife's childhood home is still standing. Of course, there is major cleanup which we have started due to broken trees. But we feel so fortunate. There were many warm reunions as neighbors began to return home. People began helping one another. On the negative side, the town and most of the area is without power. Traffic lights were not just inoperable. Most were gone! All over town there are power poles down. Many that were still standing had shredded cable hanging from them. The bigger problem is that most of the electricity for that area is provided by a plant on the Louisiana side and it took the brunt of the storm. The main trunk has been severed and it is predicted to be a long and time-consuming repair. Until that time, much of the area will be without power. Please pray for the residents and for the many crews out attempting to effect repairs.

In many ways, it reminds me of how the church works. Jesus called the church into being and gave us the connection to the power, called the Holy Spirit. Jesus taught us that the Holy Spirit would be a comforter and guide for all Christians (John 14:16-18). He then promised that the Holy Spirit would energize the church for mission (Acts 1:8). The story of Pentecost tells of the fulfillment of the outpouring of the Spirit. Without that connection to power, the church would not exist, much like the towns near us which stand damaged, dark, and cold.

However, the story does not end there. Through the power of the Spirit the church has, and will always be, victorious. And one of the key elements in the story of God's people has been that power is experienced most vividly in community. In Matthew 18:20 we read, "For where two or three gather in my name, there am I with them."

My dear church family, this can be a very tough time. And my prayer is that we would not be a church without power. But it does mean that we have to stay connected to the power source. And one of the key elements is that we must stay connected to one another. I pray that we will. Your church staff and elders are hard at work in the remarkable time doing what we can to make it happen.

In that light, please let me share an opportunity happening this coming Sunday, September 6. We will have our next drive-in service starting at 8:30. (We will finish before the temperatures rise too high.) Perhaps we cannot be in close proximity, but we can be close enough to see each other, to hear God's word, to worship, and to partake of Holy Communion together. This has always been God's gifts to us on how to stay empowered. Many of us are discovering just how important that is to our lives. So please do come join us, come feel the Spirit that happens when we come together. Sing, honk your horn, be fed by the Word and Sacrament, and enjoy the power that community brings.

I am very much looking forward to seeing you soon!

In Christ's Service,
Kevin Boyd, Pastor

Missions of the Month

The “Mission of the Month” for September is CarePartners. CarePartners is a nonprofit, volunteer led organization that provides support, education, and resources for caregivers and quality care for those living with memory loss and other challenges of aging. Much of the care is for the vulnerable elderly and individuals with Alzheimer’s or related dementia. CarePartners, serves all people at no cost. They

provide life-changing care as well as educational and support services to more than 5,700 people in the Greater Houston area. Their award-winning volunteer Care Team® model includes more than 2,500 individuals who help support four primary programs:

Gathering Place – A 3.5 hour highly engaging program specifically for individuals living with early to moderate Alzheimer’s, related Dementia, or memory loss. Planned activities strengthen motor and social skills through games, music, crafts, lunch, and socialization. Family caregivers receive 3.5 hours of respite, a break and time away from caregiving responsibilities, while their loved one attends each Gathering Place.

Second Family – A homebound program focused on helping individuals living with illness or other challenges due to aging. An extended family of trained volunteers offers support and companionship for homebound individuals who belong to a partnering congregation. Family caregivers receive respite, a break and time away from their caregiving responsibilities.

Common Ground – A support group established for family caregivers that offer emotional support, encouragement, friendships and helpful tips about self-care and caregiving. Family caregivers caring for loved ones with Alzheimer’s, related Dementias, memory loss or other challenges due to aging may join this monthly support group.

Caregiver Conferences – Educational events that connect family caregivers with education and community resources on how to provide quality care to their loved one.

September Mission Updates & Opportunities

Hurricane Preparedness – We distributed 40 Hurricane preparedness kits prior to Hurricane Laura making landfall last week. While the storm spared Houston, it was not so kind to our neighbors east of here. We still have a few extras left, so if you know anyone who needs a kit, please let Steve Blair know at (713) 494-1804 or sgbtxrealestate@gmail.com.

MAM Back to School Supplies – The 2020 school year has officially kicked off here in the Spring Branch Independent School District! As with everything else this year, it has been an interesting start to the year with virtual classes and a break for a potential hurricane. We have been collecting funds for school uniforms to provide MAM with vouchers that families can use to purchase uniforms. We will have an update in the next PresPress regarding this campaign.

SBPC Hot Meals on Weekends – The current COVID-19 restrictions have made this service opportunity possibly more important than ever. These types of services have been declared “essential services” by the county, so we have been able to continue delivering meals. The 4th Saturday of each month we look for individuals to deliver meals to shut-ins. We have 2 routes with about 14 people on each route, so we usually need a total of 4 volunteers each month. Please contact Lu Taylor if you are interested in volunteering to deliver meals one month. The Saturday for this month will be September 25th.

September 6th will start a Season of Peace at Spring Branch Presbyterian Church. This sermon series will take a look at Peace with God, with ourselves and with one another. Peace can feel difficult to attain with all that is going on around us these days, and so it is more important than ever to take a look at how God can guide us to find his peace that surpasses all understanding.

We have planned a few new things to introduce this month alongside our sermon series.

On Sunday, September 6th there will be a **Drive-In Service** at 8:30. Please come join us to share in the Word, music and socially distant fellowship as we worship and praise together from inside our vehicles.

On Sunday, September 13th we will host our first **Virtual Narthex**. The service will be shown, in your normal viewing method, from 10:45-11:30. Afterwards, everyone is invited to a zoom (link will be sent out the week before) to share in fellowship with one another. This is a time to discuss the sermon, or anything else you wish to with your brothers and sisters at Spring Branch Presbyterian. We have missed each other so much and want a chance to connect. Break out rooms will be used so that you can talk with a smaller group of people and catch up with how one another has been doing. Please consider joining us for the time of fellowship. We plan to continue the virtual narthex through at least the end of the month.

Peace be with you,
The Worship Team

Masks, Masks, and More Masks

Several people in the congregation have been busy during the pandemic making Masks for the safety of us all. A pandemic doesn't stop us from helping others. This is such a helpful ministry for our community.

Betty Magnuson, Kay Craig, Luna Lassiter, Silvia Argyriou, Sarah Dikeman and Doris Wright have made well over 350 masks. Others in the congregation have probably made some, so we most likely don't have a complete tally (Let Doris Wright know of your mask making, so we can get a more complete count).

In addition to being given to family and friends, the masks have gone to Village Medical Center and some were given to Miguel Carlin for workers at the food pantry at Pathways Presbyterian Church. Some were shared with Masks for All with the Restoration Network with Houston Responds. Some also were taken to Gallery Furniture for their program with Hilton America-Houston with Volunteer Houston and Interfaith Ministries. Some have gone to the church office for staff and others who may need them.

Betty and Kay are now making masks for the kids of friends & relatives as they prepare to go back to school.

Thanks to all our you who have made and given masks to others.

A PRAYER FOR MASKS

A prayer as I put on my mask

Creator,

As I prepare to go into the world

Help me to see the sacrament

In the wearing of this cloth -

Let it be "an outward and visible sign

Of an inward and spiritual grace"-

A tangible and visible way of living

Love for my neighbors

As I love myself.

Christ,

Since my lips will be covered,

Uncover my heart,

That people would see my smile.

In the crinkles around my eyes.

Since my voice may be muffled,

Help me to speak clearly,

Not only with my words,

But with my actions.

Holy Spirit,

As the elastic touches my ears,

Remind me to listen carefully -

And full of care -

To all those I meet.

May this simple piece of cloth be

Shield and banner,

And each breath that it holds

Be filled with your love.

In your name and in the name of love,

I pray.

May it be so, May it be so.

Amen.

Fall 2020 Blessing of Students and Teachers

This year, just as every year, Spring Branch Presbyterian Church blessed our students and teachers as they approached the beginning of this school year, whatever that beginning may look like. On Wednesday, August 19 during our drive through dinner, Rev. Boyd greeted everyone attending and

added a special blessing for those heading back to school this fall. Students received a pencil bag filled to the brim with school supplies from the church to remind them they are loved and supported. Donations were also collected for Memorial

Assistance Ministry's Back to School uniform drive. During on-line worship on Sunday, August 23, viewers were encouraged to gather around their computers with backpacks and computers in hand as Rev. Boyd shared a blessing during our virtual worship for students and teachers. Many thanks to Miguel Carlin for planning and preparing the gift bags; and to Bryan Evenson, Marguerite Priest, and Donald McDaniel for their help in this effort.

Save the Date!

Spring Branch Presbyterian Church will host the Saturday, March 20th, 2021 Presbytery of New Covenant meeting. The session approved our hosting the meeting earlier this year and the Presbytery staff is thrilled to have us serve as the host church. All team leaders have been provided a plan of the tasks which need to be addressed and completed for the day of the meeting. Session members and pastors from across our presbytery will attend. This will be an all hands on deck effort as we open our doors in hospitality to those who will discern, conduct, and address the matters of the church. Presbytery of New Covenant and Spring Branch Presbyterian Church are planning for the meeting to be in person at this time. COVID-19 data and trends in the spring of 2021 will be closely monitored in case the meeting needs to be shifted to virtual.
