2022

Dear friends and members of SBPC,

I have spoken both publicly and privately to many of you about the alarming level of stress I see in our population today. The possible causes seem to be abundant. We are still dealing with Covid, and we do not know what the future might bring. Inflation is at the highest level in over 40 years. Many are now having a hard time driving and/or buying food. We are a nation divided. The political wars are bitter and nasty. We are grieving over gun violence and trying to figure out what, if anything, we can do to fix the problem. The war in Ukraine continues to rage on with innocent people being slaughtered. Nearly every day now, I see people driving like maniacs on our highways, and road rage has become all too common. This is, of course, just a partial list. But what could we possibly have to be stressed about? We are suffering in the present and afraid of the future.

More importantly, is there any help offered in our faith? I believe the answer is a resounding yes! I do believe the answer lies in remembering who God is! Too seldom do I even hear of God being mentioned when we throw out desperate plans to solve these problems. But as followers of Christ, we know that our only true hope is in God.

Recently I was doing some reading in our Brief Confession of Faith. I noticed that four times we are reminded that we trust God. That is pretty amazing for such a short document. Have we, the church, forgotten this? In fact, the confession ends by using words from Romans 8.

“With believers in every time and place, we rejoice that nothing in life or in death can separate us from the love of God in Christ Jesus our Lord.”

Whatever this world throws at us, we must remember that God is, and always has been, with us. And that will never change. God is indeed watching us, and not from a distance. In Psalm 32:8 we are told, *“I will instruct you and teach you the way you should go; I will counsel you with my eye upon you.”* God’s eye is an incredible thought. I see all of the medical, political, and economic forecasts out there, and none of them will likely be correct. But nothing that happens will ever be a surprise to God. Theologians like to use big words starting with “omni” when trying to describe the attributes of our transcendent God. To name a few, God is omnipresent (everywhere at once), omnitemporal (transcending time), omniscient (all knowing). What an amazing God we serve! And the eye of this God is promised to be instructing us and leading us, even through (or perhaps especially through) these turbulent days.

As your pastor, I want you to know that God is with us. Perhaps that sounds so trite because we use the phrase so often. But when we consider WHO God truly is, I find it to be a great comfort. I hope you do too. So no, your pastor does not have all of the answers to all of our problems. All I can hope to do is to point you to the ONE who is already there in the future, who is working through our world and our church, even when we see it the least, and who is reaching out with everlasting comforting arms to us this moment.

My sisters and brothers, may you find rest and find it abundantly.
In Christ’s Service,

Kevin Boyd, Pastor

Missions of the Month

The "Mission of the Month" for July is the Mission of Yahweh. The Mission of Yahweh is a faith-based shelter that has been empowering, enriching and restoring the lives of homeless women and children and has provided outreach services to low-income communities since 1961. The Mission of Yahweh offers many life-changing programs focused on ending the cycle of homelessness and dependency, such as transition and aftercare programs, educational and vocational support, case management and spiritual counseling. Each year, over 200

volunteers per month help keep the campus in good working order by completing necessary projects and providing support for programs, chapel services, and children's activities.

Mission Facts

- The Mission is one of only a few shelters for homeless women and children in Houston.
- The Mission has grown to a 12-building campus in Northwest Houston.
- The Mission averages over 120 residents per day in a normal year. On average, 40% of The Mission's residents are children under the age of 13.
- The Mission operates with a lean staff and many volunteers.
- The Mission serves a growing need in our community. Year after year, The Mission is forced to turn away over 4,000 women and children due to lack of beds.
- The average resident family has 2.5 children per mother.
- The majority of The Mission's operating funds are in-kind donations that come from individuals, churches and businesses.
- The Mission does not receive government funding.
- Through a collaboration with other local resources, classes and services are provided for a variety of subjects including: job readiness, computer training, money management, education, health, parenting, and more.
- On average, it costs the Mission \$40.00 per day to house, feed, and clothe one homeless woman or child.
- The average stay for a Mission resident is 4 to 6 months.
- In any given year, 40 to 60% of our resident women are working or are enrolled in school.

Thank you to everyone who participated in our Dress-A-Girl Completion Workshop on Saturday, June 18th! We completed 25 dresses that had previously been started. Earlier this year, we donated dresses to our friends at PCHAS to be given to foster care families in southeastern Louisiana. These families were impacted by Hurricane Ida. The staff at PCHAS informs us that the dresses that were just completed will be taken to Louisiana again to support additional families and children. A special thank you to our participants: Silvia Argyriou, Kay Craig, Carol Davis, Sarah Dikeman, Jan Fitts, Laurie Mitchell, Betty Magnuson, and Jeannie Stockton.

The Gathering Place What Have We Done Lately?

The Gathering Place Ministry has been in full swing, face-to-face, since September 2021. Here is what we have been doing this year:

- ◆ *In January, our theme was Winter Wonderland. We made Snowmen and had a fun snowball fight with big cotton snowballs. Lunch was typical comfort food – Grilled cheese and Tomato soup.*
- ◆ *February was Viva Las Vegas! Sarah's craft was a guitar to decorate with paint and glitter, and they sang and played along with our Elvis impersonator.*
- ◆ *In March, we went to the basketball court. Everyone wore their favorite jerseys and Patti Nanney obtained giveaways from the Rockets, and the participants made a tabletop basketball game to take home.*
- ◆ *April was a Mad Hatter's Tea Party. The Lollie Cloggers entertained us with lovely dances and we had tea sandwiches for lunch. For games, Luna had giant tea cups and we tossed giant tea bags into them for yummy prizes.*
- ◆ *May, of course, was the Kentucky Derby. We tried Benedictine spread, (I think the jury is still out), non-alcoholic mint juleps, and had Run for the Roses cupcakes by Betty. We played a rousing game of horse racing, tabletop, of course, with plastic horses that they named and took home. Prizes were won by all.*
- ◆ *And June was Under the Sea! We painted beautiful designs on sea shells and made sand art in Starfish bottles. Gabe, Joan, and Laurie serenaded us with a wonderful sing-a-long with songs about water. Gabe performed Under the Sea from the Little Mermaid – not his thing, but it was excellent! For games, we played Go Fish! Some of our participants had never played cards before, but they all caught on quick and won bottles of bubbles to take home. Lisa Schultz also made pecan sandies for everyone to take.*

A big thank you to all of those who have volunteered their time this year: in the kitchen – Anne Brewin, Kay Craig, Betty Magnuson, Jennifer Miller, Jeannie Stockton, and Miriam Vyles. In the Gathering, supporting the guests – Silvia Argyriou, Linda Crawford, Donald McDaniel, Patti Nanney, Lisa Schultz, Jani Shepard, Dick Slover. And our leaders, Sarah Dikeman, Kay Craig, Jacquie Ballesteros, Luna Lassiter and Marguerite Priest.

We are currently working with 13 families in our Gathering and are increasing to 15 as there is a real need in our community. We are always looking for more volunteers, as there are quite a lot of moving parts in putting together a 3-hour Gathering. Amazingly, it comes together quickly! If you would like more information, please call Jacquie Ballesteros (713-305-1114) or Sarah Dikeman (713-201-9426).

In the Spotlight...

In order to keep a well running school, it helps to have a top-notch office staff.

First up is Ms. Nikki – Assistant Director. When it comes to my right-hand gal, she is #1. Ms. Nikki has been at the Academy since 2007. Her son is Dillan and is going to be a sophomore at his high school. Dillan is an all-around athlete in football, soccer and baseball.

Ms. Kathryn, better known as “Ms. Kat”, is the Registrar at the Academy. Ms. Kat has been at the Academy since 2010. This summer has been kind of special – her son Mr. Ben is working as a summer camp counselor. She loves that she gets to see him daily.

Rounding up our fabulous office staff is Ms. Debbie - property and snack coordinator. If we need it done, Ms. Debbie can do it. She's our “Jill of all trades“. Ms. Debbie has been with the Academy since 2005.

I am truly thankful for my wonderful office staff – They help build a strong foundation for the Academy.

Spring Branch Presbyterian Church, through our Hot Meals on the Weekend program, has partnered with Pappy's Restaurant to provide a hot lunch on the fourth Saturday of each month to our neighbors.

This ministry has allowed us to provide a listening ear and hospitality to thirty-three of our neighbors, and we are thankful for our volunteers. Recently, Bryan Evenson, one of our volunteers, was able to present a certificate of appreciation to Pappy's to thank them for their support. We look forward to continuing our partnership with Pappy's. If you would like to volunteer in this worthwhile ministry please contact Lu Taylor.
